In this context various activities are being organised to create awareness among the voters/electors. The primary objective of these activities is to ensure the enrolment of the eligible and left out electors. The election commission of India recently took a decision to incorporate the qualifying date for enrolment as 1st Oct, 2022 that means citizen of India who is completing/attaining 18 years of age on 1st Oct, 2022 can enrol himself/herself as elector in the ongoing special summary revision.
