Minutes of the meeting held on 6/10/23.

- After the welcome and reading out the minutes of the previous meeting the co-ordinator, IBAC discussed various works to be executed during the session and the procedures to be followed for the maintenance of the record of all the activities in a systematic way.
- It was decided that all the units of the college including subject societies would conduct at least two activities during the session. These activities should include maximum number of students and student participation should be ensured right from the planning to organizing and reporting of the event. A record of the expenditure on the events / activities

should also be kept along with the attendance sheet of the students.

- The NSS, NCC, Rovers and Rangers units of the college were appreciated for their contribution in the society outreach program ^{in the past}. They were asked to continue the practice in the current session also as the best practice of our college is to make a fruitful contribution towards the awareness among the society about many issues. The role of the college students towards society is an integral part of our education.

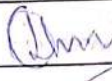

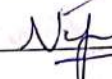

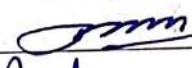

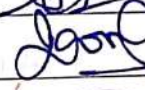

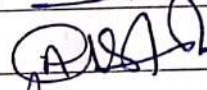

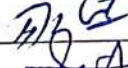

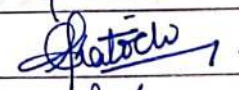

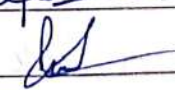

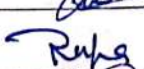

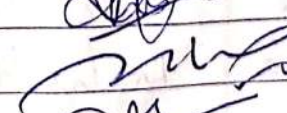

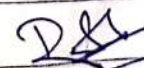

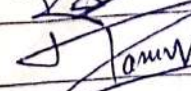

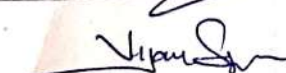

- The HODs were directed to follow the plans made by them according to their respective calendars. The Science depts and other practical subject depts were asked to follow the SOPs, also display the safety measures regarding Dos and Don'ts outside the labs. They should instruct especially the first year students to follow the guidelines in the lab.

- All the HODs should convey the detailed instructions to the staff in their depts and ensure the action taken also.

Minutes of the meeting held on 23rd Nov. 2023.

- After the welcome of the staff by the IAC co-ordinator, the staff was apprised that the draft of SSR was ready. All the staff members deserve appreciation for their efforts and co-operation throughout.
- Some of the points were to be re-considered and revised. The concerned members were informed about it and the requisite changes will be made accordingly.
- As discussed with NAAC at Bangalore telephonically, it was required that the AQAR for the latest completed academic year i.e. session 2023-24 had also to be included in SSR, all the criteria convenors especially and the staff members were directed to collect and compile the data at the earliest.
- The calculation / average of previous five years will now be made from the session 2018-19 to session 2022-23. Most of the data was ready and can be collected from IAC and college office.

- The HODs were specifically asked to collect the students' progression to higher studies as by now the most of the pass out students had joined their courses.
- Different committees that had been assigned the renovation or repair works under various heads were asked to speed up their work so that everything should be completed before the peer team visit. It was expected that IIGA will be submitted before proceeding on winter break. The convenors should make it ^{sure} ~~convincing~~ that all codal formalities be in order.
- All the depts ^{heads} should take the steps to make their departmental preparations and convey the requirements from the administration well in time.
- The meeting ended with a vote of thanks to all the staff members.
