3. Question 8 (Teaching and mentoring process): Foster cognitive, social, and emotional growth through workshops and faculty development programs.
4. Question 1 (Syllabus coverage): Review and take necessary steps to ensure comprehensive coverage.

Improvement Areas (Score < 3.5)

1. Question 6 (Performance discussion): Encourage regular feedback and mentorship.

2. Question 14 (Teacher identification of weaknesses): Develop teacher training programs on student assessment and support.
3. Question 18 (Soft skills, life skills, employability skills): Integrate skills development into curriculum.

Build on Strengths (Score > 3.5)

1. Question 5 (Fairness of internal evaluation): Continue and refine evaluation processes.
2. Question 12 (Concept illustration): Encourage teachers to use examples and applications.
3. Question 20 (Overall quality of teaching-learning): Maintain and enhance teaching standards.

Long-term Strategies

1. Institutionalize student-centric methods (Q16).
2. Enhance student engagement in monitoring and review processes (Q15).
3. Foster extracurricular activities and soft skills development.

Monitoring and Evaluation

1. Regularly track student satisfaction and feedback.
2. Conduct faculty development programs.
3. Review and refine curriculum and teaching methods.

Responsibilities

1. Principal: Oversee implementation and monitoring.
2. Department Heads: Ensure faculty development and curriculum review.
3. Faculty Members: Implement changes in teaching methods and assessment.

By addressing these areas, the institution can enhance student satisfaction, teaching quality, and overall learning experience.
