7	Brief Report : संक्षिप्त प्रतिवेदन	<p>The National Science Day was celebrated by Govt. College Kullu on the 5th March 2024 to celebrate the discovery of the eponymous optical phenomenon, the Raman Effect, by the great Indian physicist, Sir Chandrasekhara Venkata Raman on this very day way back in the year 1928. The theme of the event was "Indigenous Technology for Viksit Bharat". The Programme was initiated by students of BSc 3rd year Mr. Akshay by welcoming all the students, staff (teaching and non-teaching) of GC Kullu. Then, Prof. Brij Bala, Associate Professor Chemistry, formally welcomed the chief guest, Dr. Roshan Lal, Principal, GC Kullu and the audience. In her speech she acquainted the students about the importance of National Science day. Thereafter, various competitions were conducted basing on the Theme 2024 i.e power point presentations, Working and Non-Working models and Projects, poster making, scientific rangoli, Slogan Writing and quiz etc. Then, Chief guest Dr. Roshan Lal, Principal GC Kullu shared her views with the students and encouraged them for organizing such activities more in future. Altogether 350 students and 30 faculty members had participated in this event. The celebration came to an end with the valedictory session followed by vote of thanks by Prof. Som Krishan Sharma, Associate Professor, and Department of Mathematics, to thank every individual who helped to organize such programme.</p>
