Brief Report:

An induction program for the first-year students of the college was organized on 8th August 2023. The principal Dr Roshan Lal addressed the students and apprised them about the functioning of the college. All the teachers were introduced to the students one by one. The in-charges of various clubs, cells, NCC, NSS, and Rover & Rangers addressed the students. They informed them about the benefits of involving themselves in the activities of these units to groom their personalities. They also encouraged the students to participate in the community services so that they contribute towards the welfare of the society. The students were made aware of the 'Dos and Don'ts' of the college and the importance of moral values in life. They were advised to use the facilities of the college like the college library, computer labs, Science labs washrooms, and drinking water facilities properly and carefully and to maintain discipline in the college. The students were advised to visit the college website for day-to-day information and updates and also read the notice boards regularly so that they get timely information regarding the college activities.
