7	Brief Report	<p>A Mock Drill was conducted by Rapid action and Disaster Management and Cell of Govt. College Kullu in collaboration with DDMA Kullu to access and improve the institute's emergency response plan, raise awareness about safety protocols, and provide hands-on experience to the participants. A committee comprising faculty members, administrative staff, and safety officers was formed to oversee the planning and execution of the drill. The respective Heads of the Department were asked to brief the students regarding standard protocol to be followed during the mock drill. At 11:00 AM, the fire alarm was activated signaling the start of the drill. An announcement was made simulating an earthquake. The students were instructed to practice the "Drop, Cover, and Hold On" technique. The instructed to evacuate the buildings calmly and proceed to the designated assembly points by the respective class teachers. Roll calls were conducted by class teachers to ensure everyone was accounted for. The A rescue and search teams were constituted headed by the NCC, Rover & Rangers, NSS incharges. A search and rescue operation was simulated, with volunteers playing the role of injured individuals. The injured were identified and sent to the district hospital after administering the 1st aid.</p>
