Recommendations of the Inspection Committee:-

The committee inspected the Govt degree college, Kullu, on 28th April 2016 and found the college to have adequate infrastructure in terms of class rooms, library, canteen, computer lab and well equipped library. There are at present three teachers in the department of economics who teach both UG and PG classes. Under the proposed introduction of RUSA in PG courses, additional staff is mandatory. At least three more teachers need to be recruited/posted. Some additional reading material may be procured for the library.

In light of the above observation it is recommended that permanent affiliation for PG in Economics (2016-17) may be granted.
