3	Name of Unit/Agency/Department Organizing the Activity	Energy club in collaboration with physics department
4	Name of Collaborating Agency (IfAny)	ECI consulting Engineers Office B-604,Plot no 6B,Sector 23, Dwarka, New Dehli
5	No. of Student Participants	10
6	No. of Teacher Participants	7
7	Brief Report:- Energy club of GC kullu in association with Physics department is conducting Energy Audit on 19 th and 20 th October 2023 through ECI consulting Engineer (Accredited Energy Auditors by Bureau Of Energy Efficiency). Two Team members of company visited on said dates and collected all data of energy usage and solar energy generation of college. Mr. karambeer made list of numbers of LED tubes, bulbs, fan, Geysers, AC, computers, smartclass equipments etc with the help of physics department. The whole process of data collection and data of energy consumption was studied and verified by team members in two days i.e. on 19 th oct and 20 th oct 2023. The final report of the Energy Audit will come after compilation of the data and the suggestion will be made on energy conservation measures thereafter.
