Government of India has the highest commitment to achieve End TB target. Reaching out to workers engaged in various occupational settings and workplace with TB awareness messages and related activities are crucially important to move forward with the mission of 'TB Mukta Bharat'.

A Guidance Document titled 'टीबी मुक्त कार्यक्षेत्र: मार्गदर्शिका' 'TB Free Workplace Guidance Document' has been developed under National TB Elimination Programme (NTEP) of the Ministry of Health & Family Welfare (copy enclosed). This document aims to guide institutions, organizations, corporates, Industries of the public and private sectors, and key stakeholders about 'TB Free Workplace'. This Guidance Document and related resource materials can also be accessed from the website of Central TB Division, MoHFW (Link <https://tbcindia.nikshay.in/guidance-document-on-tb-free-workplace/>).

It is earnestly requested that all line ministries along with its subdivisions & departments, PSUs/CPSEs, all industries & organizations plan and accelerate 'TB Free-workplace' related intervention at the workplace as routine and with special focus during "100 days TB Mukta Bharat Abhiyan" and extend support toward the overarching goal of ending TB in India.

With regards.

Yours sincerely
