7	Brief Report लक्ष्य : Department of Chemistry celebrated Chemistry Week w.e.f. 18 th November 2023 to 22 nd November 2023. The theme for this year was 'Chemistry makes life easier'. It was a weeklong celebration and the celebrations commenced with the screening of the movie 'Radioactive' to the students and teachers on 18 th November , 2023 followed by wall decoration in the premises of Chemistry Department. The department organized various competitions on 22 nd November 2023. The event was inaugurated by Hon'ble Principal, G.C., Kullu, Dr. Roshan Lal followed by Welcome address by Head of the Department of Chemistry Dr. Brij Bala. After this Hon'ble Principal visited the exhibition displayed by the students. Posters were presented in the exhibition, along with models and live working models. Further, various games related to chemistry were also organized. Students participated with full fervor and enthusiasm. The judges for Poster making, Model display and working model demonstration were Dr. Harish, Prof. Sapna Verma , Prof. Monika and Prof. Pooja Sohal , while for games judges were Prof. Rajesh Kumar, Dr. Nirmal Chauhan, Prof. Shaweta Chandel. Dr. Ashish, Dr. Ashwani and Prof. Rajesh Sharma. The prize winners were facilitated by the Principal GC Kullu. Thereafter, the programme ended with vote of thanks by Dr. Nirmal Chauhan.
