7	<p>Brief Report :</p> <p>The National Science Day was celebrated by Govt. College Kullu on the 28th of February, 2023 to celebrate the discovery of the eponymous optical phenomenon, the Raman Effect, by the great Indian physicist, Sir Chandrasekhara Venkata Raman on this very day way back in the year 1928. The theme of the event was” Global Science for Global wellbeing”. The Programme was initiated by students of BSc 3rd year Mr. Anil by welcoming all the students, staff (teaching and non-teaching) of GC Kullu. Then, Prof. Seema Sharma, Associate Professor Chemistry, formally welcomed the chief guest, Dr. Sujata, the then (Officiating Principal) GC Kullu and the audience. In her speech she acquainted the students about the importance of National Science day and spoke about how to solve the problems created by us to the Mother Nature and finding a sustainable way of Development leading to Global wellbeing. Thereafter, various competitions were conducted like power point presentations, Working models and Projects, poster making, scientific rangoli, spot photography and quiz etc. Then, Chief guest Dr. Sujata, Officiating Principal GC Kullu shared her views with the students and encouraged them for organizing such activities more in future. Altogether 350 students and 30 faculty members had participated in this event. The celebration came to an end with the valedictory session followed by vote of thanks by Prof. Som Krishan Sharma, Associate Professor, and Department of Mathematics, to thank every individual who helped to organize such programme.</p>
