* The pattern of examination for conducting the House Test shall be same as prescribed for the end term examination.

- A. **End-Term Examination (ETE)**: The remaining 70% of the final grade of the student in a course will be on the basis of an end-term examination (ETE) that shall be of three hours duration and will be covering the whole syllabus of the course. The question paper format and marks distribution scheme for 70 marks theory paper and 50 marks theory paper will be as specified below:

i) End Term Examination Format (for 70 Marks Theory Paper):

End Term Examination Scheme:
